

A2L tested and certified. Is yours?

INFICON offers tools certified by independent test labs* for A2L refrigerants to give you confidence and peace of mind.

D-TEK Stratus®
REFRIGERANT
LEAK DETECTOR AND
PORTABLE MONITOR
724-202-G1

D-TEK® 3
REFRIGERANT
LEAK DETECTOR
721-202-G1

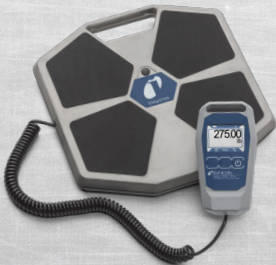

TEK-Mate®
REFRIGERANT
LEAK DETECTOR
705-202-G1

Compass®
REFRIGERANT
LEAK DETECTOR
717-202-G1

Whisper®
ULTRASONIC
LEAK DETECTOR
711-202-G1

Wey-TEK® Pro
REFRIGERANT
CHARGING SCALE
501-202-G1

Wey-TEK®
REFRIGERANT
CHARGING SCALE
713-202-G1

Vortex® Dual
REFRIGERANT
RECOVERY MACHINE
714-202-G1

QS5
VACUUM PUMP
700-100-P1

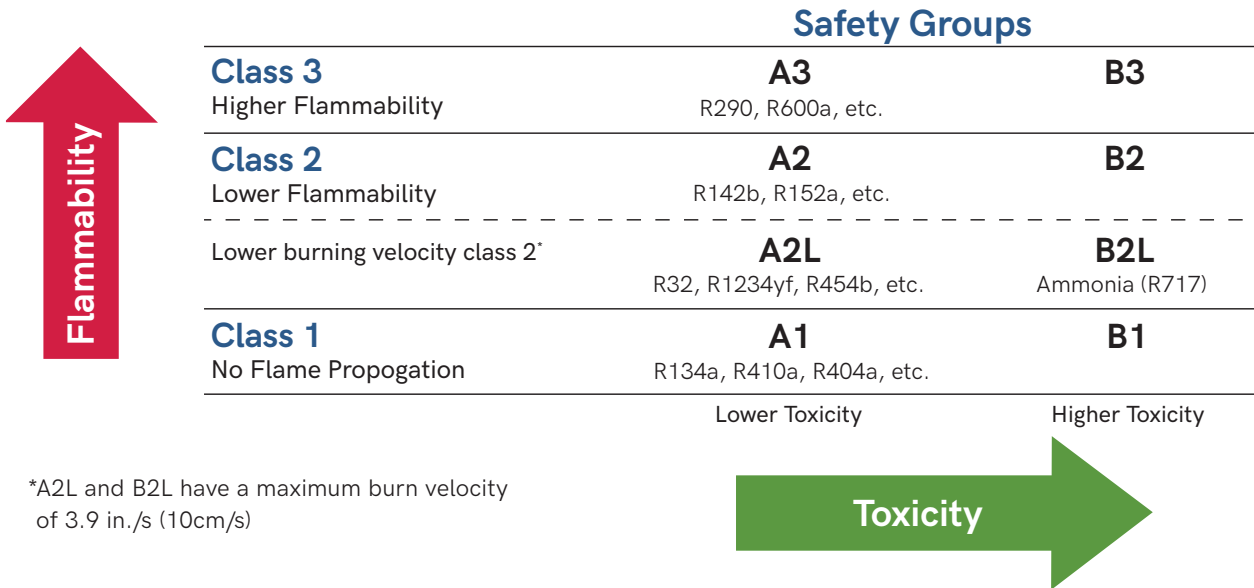

Pilot® Plus
VACUUM GAUGE
710-202-G1

*Test reports G102557790, 103957306COL-001, 101265648COL-001, IB-18-8-0097, 105659440COL-001L, 105367670COL-001A

UNDERSTANDING THE DIFFERENT REFRIGERANTS.

ASHRAE 34 SAFETY GROUP CLASSIFICATION

- Letter indicates toxicity (A is less toxic)
- Number indicates flammability (low number is less flammable)

HFC REFRIGERANTS	A2L REPLACEMENTS	APPLICATIONS
R410a	R32, R454b, R446a, R452b, R447a	Residential and Commercial HVAC
R22/R404a	R454a, R454c, R455a, R444b	Residential and Commercial HVAC, Refrigeration
R134a	R1234yf, R1234ze, R516a, R513b, R451a, R451b	Automotive AC, Industrial Cooling, Refrigeration

Designed for explosive environments

SAFELY DETECT COMBUSTIBLE GAS AND A3 FLAMMABLE REFRIGERANT LEAKS.

GAS-Mate® Combustible Gas Leak Detector is certified intrinsically safe by MET Laboratories (#E112145).
